---

I meditate upon a swallow's flight,  
Upon a aged woman and her house,  
A sycamore and lime-tree lost in night  
Although that western cloud is luminous,  
Great works constructed there in nature's spite  
For scholars and for poets after us,  
Thoughts long knitted into a single thought,  
A dance-like glory that those walls begot.

*Cool Park, 1929 by W.B. Yeats*
